**Why we volunteer:**

When you set up for Grandparents Day or Veterans Day, help at the bookfair or elf store, raise money for the Hornets Challenge, attend the Gala, come into the classroom for parties or send in needed items for events, you are not just helping our school, you are showing your own child the importance of helping others. One day, your child, drawing from memories of their parents helping at the Pancake Breakfast or helping with a school activity, will be more likely to step up as a volunteer at their child's school. Research shows that the drive to volunteer can be intergenerational, much like family traditions and personality traits are passed along. There is evidence of this as some of today's volunteers were raised by a parent that volunteered! Now those leaders are paying it forward and serving as role models for their own children. Thank you for helping us pay it forward by volunteering and spreading the message of Jesus through our actions!

*~ excerpts from this were found online from a volunteer form created by Dawn DeBorba, a PTO leader. We tailored the idea to fit our school community!*

*"Volunteers do not necessarily have the time, they just have the heart."*
